

EDUCATIONAL & EMPOWERMENT CO-ED TEEN GROUP

About us

Unique Alternatives Inc. Educational & Empowerment Co-Ed Teen Group & College Tours is an educational group that focuses on empowering teens age 11 to 18 as they deal with life encounters. The goals of our group are to empower youth for challenges as they face obstacles in preparation for young adulthood.

The group objectives are:

- (1) Help teens process thoughts and feelings about current experiences and challenges.
- (2) Help teens learn valuable tools to help them make better decisions.
- (3) Help teens increase their understanding about the importance of education.
- (4) Help teens better market themselves for employment.
- (5) Help teens explore future goals

Length of Group

Unique Alternatives Inc. Educational & Empowerment Co-Ed Teen Group meets once a month at Concord Housing Technology Building (265 Salem Street Concord, NC). Youth must be enrolled and attending groups participate in scheduled college campus events.

Our teen group session runs from September to December and February to May. During the summer months, we also plan additional college tours for teens.

Our campus visits include visiting North Carolinas Historical Black Colleges & Universities, North Carolina State Funded Colleges and Universities, and North Carolina Community Colleges.

During our campus visits we become educated about admission requirements, see what degrees are offered, and explore financial assistance options. All of our fall and spring campus visits are held on Saturday to allow teens a chance to see a college football and/or basketball game. Teens also get the opportunity to learn about Student Government Organization and Campus Greek Life.
